The POLIN Museum: Seven Years Later

with **Professor Dariusz Stola**

Director of POLIN Museum of the History of Polish Jews

Professor Stola will describe the differences in the Museum, and the environment in which it operates, from when he left, as Museum Director, to when he returned to that position seven years later.

Professor Stola is a historian specialising in contemporary Polish history and Polish–Jewish relations. He is the author of more than 130 scholarly articles and six books, as well as an experienced cultural institution manager. The programs he co-created helped confirm the institution's standing as one of Europe's leading history museums.
